

Digest Size 2 Page Spread Guidelines

Client-supplied ads will be expected to meet these standards:

- It is recommended that ads follow best design practices:
 - Lean design and essential information only.
 - Ads should emphasize client logo and central image.
 - Images 225 DPI or higher.
- Coupons will only be permitted on the right side of the ad. Coupons requested to span across entire ad or on the left side will not be accommodated.
- Keep coupons to 6 or less on a coupon only ad or 4 or less on a Deal Ribbon ad, to keep ad clean and lean.
- Coupon ads are only permitted a single QR code. The QR code can be either a client supplied QR code no larger than .857 inch by .857 inch or a CLIPP supplied QR code which will direct to Clipp.com
If space allows, the QR code should be located to the left of the coupons.
- Advertisers may opt out of adding a QR code, must be communicated in ad copy.
- Home Improvement ads, Service ads & ads without coupons may not need a Clipp.com QR Code.
